CANADIAN WAR MUSEUM

MUSÉE CANADIEN DE LA GUERRE QUARTERLY FINANCIAL STATEMENTS FOR THE THREE MONTH PERIOD ENDED JUNE 30, 2016 UNAUDITED

Canadä

#### NARRATIVE DISCUSSION

These quarterly financial statements must be read in conjunction with the March 31, 2016 audited financial statements of the Canadian Museum of History (CMH) and with this narrative discussion.

#### **OVERVIEW**

The Corporation is committed to sustaining a strong financial and operational foundation for the delivery of quality museum programs and services. Responding to the Strategic Directions of its Board of Trustees, the Corporation builds accountability into its operational planning and reporting. The Corporation has at its core, a management culture that fosters excellence and adaptation of best practices for continued improvement. It is accountable to Parliament and Canadians in implementing its mandate.

#### STRATEGIC DIRECTION

In June 2014, the Corporation's Board of Trustees unveiled five Strategic Directions that introduced new priorities and broadened the Corporation's scope of activities. A detailed set of goals and objectives addresses each direction. The Corporation's five Strategic Directions are as follows:

- 1. Establish the Museum as a hub of Canadian history for Canada and the world.
- 2. Connect Canadians to their history and reflect this personal connection in all aspects of the Museum experience.
- 3. Develop a collection that better reflects Canada's history and distinctiveness.
- 4. Engage dynamic partnerships and networks across Canada and internationally for mutual benefit.
- 5. Ensure the Museum has the financial resources to carry out its Mandate.

#### **CANADIAN HISTORY HALL**

As part of the transformation from the Canadian Museum of Civilization to the Canadian Museum of History, the Corporation received \$25 million over four years to help transform two of its permanent galleries (the Canada Hall and Face to Face) into one major permanent exhibition focusing on Canadian history. The \$25 million in funding was allocated as follows: \$1 million in 2012–2013, \$1.5 million in 2013–2014, \$5.5 million in 2014–2015 and \$17 million in 2015–2016. The new gallery is scheduled to be completed in time for the 150th anniversary of Confederation in 2017.

### STATEMENT OF FINANCIAL POSITION

The \$3.6 million decrease to the Corporation's cash balance is the result of an increase in the investment portfolio and the use of Parliamentary appropriations restricted for the Canadian History Hall and other capital projects.

The impact of seasonal fluctuations is also of note when comparing balances at June 30, 2016 against those at March 31, 2016.

As at June 30, 2016, the Corporation's investments include Master Asset Vehicle (MAV) notes. The fair values of the MAV notes are based on the Corporation's assessment of market conditions. At March 31, 2016, the MAV notes were recorded at their estimated fair value of \$9.4 million. The Corporation has maintained this valuation at June 30, 2016.

The National Collection Fund represents funds for the acquisition of artifacts by the Canadian Museum of History and the Canadian War Museum. At June 30, 2016, the balance of the National Collection Fund stands at \$10.8 million.

### STATEMENT OF OPERATIONS

The Corporation's net results of operations for the three month period ended June 30, 2016 reflect a deficit of \$235 thousand, compared to a deficit of \$993 thousand the prior fiscal year. Deficits in the first quarter of the fiscal year are mainly attributable to the timing of parliamentary appropriation draws, which are done on a predetermined schedule based on anticipated need, not on an accrual basis as used in the preparation of the financial statements.

Revenues for the period total \$5.0 million, compared to \$4.1 million in the previous fiscal year. The 22% increase is primarily attributable to the following:

- Strong attendance and a price increase, leading to increased General admission and programmes revenue;
- Hosting of the Society for Military History's Annual Conference, leading to increased Sponsorship and Facility rental, events and concessions revenue;
- Increased artifact donations.

Operating expenses for the period total \$22.4 million, an amount comparable to the \$22.8 million total for the previous fiscal year.

Parliamentary appropriations for the period total \$17.2 million, an amount comparable to the \$17.6 million total for the previous fiscal year.

#### STATEMENT OF MANAGEMENT RESPONSIBILITY

Management is responsible for the preparation and fair presentation of these quarterly financial statements in accordance with the Treasury Board of Canada Standard on Quarterly Financial Reports for Crown Corporations and for such internal controls as management determines is necessary to enable the preparation of quarterly financial statements that are free from material misstatement. Management is also responsible for ensuring all other information in this quarterly financial report is consistent, where appropriate, with the quarterly financial statements.

Based on our knowledge, these unaudited quarterly financial statements present fairly, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net assets and cash flows of the Corporation, as at the date of and for the periods presented in the quarterly financial statements.

#### 2. Significant accounting policies

#### Basis of accounting

These unaudited financial statements have been prepared in accordance with Canadian public sector accounting standards. The Corporation has elected to apply the Section 4200 series for government-not-for-profit organizations, and the deferral method of accounting for contributions.

#### Basis of preparation

These interim financial statements are intended to provide an update on the latest complete set of audited annual financial statements for the year ended March 31, 2016. Accordingly, they should be read in conjunction with the audited annual financial statements. The interim financial statements are unaudited for all periods presented. The accounting policies used in the preparation of these interim condensed financial statements are consistent with those disclosed in the Corporation's last audited annual financial statements.

#### Contingencies

In the normal course of its operations, the Corporation becomes involved in various claims or legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded in the Corporation's financial statements.

#### Measurement uncertainty

The preparation of financial statements in accordance with Canadian public sector accounting standards applicable for government not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses for the period. Employee future benefits, contingent liabilities, valuation of Master Asset Vehicle notes, artifact donations and the estimated useful lives of capital assets are the most significant items where estimates are used. Actual results could differ significantly from those estimated.
