Quarterly Financial Statements

For the three month period ended June 30, 2017

Unaudited

NARRATIVE DISCUSSION

These quarterly financial statements must be read in conjunction with the March 31, 2017 audited financial statements of the Canadian Museum of History (CMH) and with this narrative discussion.

OVERVIEW

The Corporation is committed to sustaining a strong financial and operational foundation for the delivery of quality museum programs and services. Responding to the Strategic Directions of its Board of Trustees, the Corporation builds accountability into its operational planning and reporting. The Corporation has at its core, a management culture that fosters excellence and adaptation of best practices for continued improvement. It is accountable to Parliament and Canadians in implementing its mandate.

STRATEGIC DIRECTION

In June 2014, the Corporation's Board of Trustees unveiled five Strategic Directions that introduced new priorities and broadened the Corporation's scope of activities. A detailed set of goals and objectives addresses each direction. The Corporation's five Strategic Directions are as follows:

ESTABLISH THE MUSEUM AS A HUB OF CANADIAN HISTORY FOR CANADA AND THE WORLD.

CONNECT CANADIANS TO THEIR HISTORY AND REFLECT THIS PERSONAL CONNECTION IN ALL ASPECTS OF THE MUSEUM EXPERIENCE.

DEVELOP A COLLECTION THAT BETTER REFLECTS CANADA'S HISTORY AND DISTINCTIVENESS.

ENGAGE DYNAMIC PARTNERSHIPS AND NETWORKS ACROSS CANADA AND INTERNATIONALLY FOR MUTUAL BENEFIT.

ENSURE THE MUSEUM HAS THE FINANCIAL RESOURCES TO CARRY OUT ITS MANDATE.

CANADIAN HISTORY HALL

As part of the transformation from the Canadian Museum of Civilization to the Canadian Museum of History, the Corporation received \$25 million over four years to help transform two of its permanent galleries (the Canada Hall and Face to Face) into one major permanent exhibition focusing on Canadian history. The \$25 million in funding was allocated as follows: \$1 million in 2012–2013, \$1.5 million in 2013–2014, \$5.5 million in 2014–2015 and \$17 million in 2015–2016. The new gallery opened for Canada's 150th Anniversary of Confederation on July 1st, 2017.

STATEMENT OF OPERATIONS

The Corporation's net results of operations for the three month period ended June 30, 2017 reflect a deficit of \$1.3 million, compared to a deficit of \$0.2 million in the comparative period of the prior fiscal year. The deficit is mainly due to the timing of parliamentary appropriation draws, which are done on a pre-determined schedule based on anticipated need, not on an accrual basis as used in the preparation of the financial statements.

Parliamentary appropriations for the period total \$18.0 million, in comparison to \$17.2 million total for the same period of the previous fiscal year. Parliamentary appropriations include additional funding received through Budget 2016 to address urgent health and safety related capital projects.

Revenues for the period total \$5.8 million, compared to \$5.0 million in the previous fiscal year. The 16% increase is primarily attributable to the following:

- Strong attendance, leading to increased General admission and programmes revenue; and
- Increased Facility rental, events and concessions revenue

Operating expenses for the period total \$25.1 million, in comparison to \$22.4 million for the comparative period of the prior year.

STATEMENT OF FINANCIAL POSITION

The National Collection Fund represents funds for the acquisition of artifacts by the Canadian Museum of History and the Canadian War Museum. At June 30, 2017, the balance of the National Collection Fund stands at \$10.6 million.

The impact of seasonal fluctuations is also of note when comparing balances at June 30, 2017 against those at March 31, 2017.

STATEMENT OF MANAGEMENT RESPONSIBILITY

Management is responsible for the preparation and fair presentation of these quarterly financial statements in accordance with the Treasury Board of Canada Standard on Quarterly Financial Reports for Crown Corporations and for such internal controls as management determines is necessary to enable the preparation of quarterly financial statements that are free from material misstatement. Management is also responsible for ensuring all other information in this quarterly financial report is consistent, where appropriate, with the quarterly financial statements.

Based on our knowledge, these unaudited quarterly financial statements present fairly, in all material respects, the financial position, results of operations, remeasurement gains and losses, changes in net assets and cash flows of the Corporation, as at the date of and for the periods presented in the quarterly financial statements.

Notes to the Financial StatementsFor the three month period ended June 30, 2017 (In thousands of dollars)

1. Mission and mandate

The Canadian Museum of History (the "Corporation"), formerly named the Canadian Museum of Civilization, was established on December 12, 2013 through an amendment to the *Museums Act*. The Canadian Museum of History is an agent Crown corporation named in *Part I of Schedule III to the Financial Administration Act* and is not subject to income tax under the provisions of the *Income Tax Act*. The Canadian Museum of History includes the Canadian War Museum.

The mission, as stated in the *Museums Act*, is as follows:

"to enhance Canadians' knowledge, understanding and appreciation of events, experiences, people and objects that reflect and have shaped Canada's history and identity, and also to enhance their awareness of world history and cultures."

The Canadian Museum of History's operations are divided into four mutually supportive activities which work together to meet all aspects of its mandate. These activities are:

Collect and research

Manages, develops, conserves, and undertakes research on the collections to enhance program delivery and augment the scientific knowledge base.

Exhibit, educate and communicate

Develops, maintains, and communicates exhibits, programs and activities to further knowledge, critical understanding, appreciation and respect for human cultural achievements and human behaviour.

Accommodation

Managing and maintaining all facilities and related security and hosting services.

Corporate management

Governance, corporate management, audit and evaluation, fund raising, commercial activities, finance and administration, human resources and information systems.

(Unaudited)

Notes to the Financial StatementsFor the three month period ended June 30, 2017 (In thousands of dollars)

2. Significant accounting policies

Basis of accounting

These unaudited financial statements have been prepared in accordance with Canadian public sector accounting standards. The Corporation has elected to apply the Section 4200 series for government-not-for-profit organizations, and the deferral method of accounting for contributions.

Basis of preparation

These interim financial statements are intended to provide an update on the latest complete set of audited annual financial statements for the year ended March 31, 2017. Accordingly, they should be read in conjunction with the audited annual financial statements. The interim financial statements are unaudited for all periods presented. The accounting policies used in the preparation of these interim condensed financial statements are consistent with those disclosed in the Corporation's last audited annual financial statements.

Contingencies

In the normal course of its operations, the Corporation becomes involved in various claims or legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded in the Corporation's financial statements.

Measurement uncertainty

The preparation of financial statements in accordance with Canadian public sector accounting standards applicable for government not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of income and expenses for the period. Employee future benefits, contingent liabilities, valuation of Master Asset Vehicle notes, artifact donations and the estimated useful lives of capital assets are the most significant items where estimates are used. Actual results could differ significantly from those estimated.
