NEW DESIGNS—BRILLIANT COLORS
Popular Prices and Good Margins
are features of
1941 VICEROY Ball Line

The three designs illustrated above represent entirely new and distinctive ball decorations. Colors are bright and attractive, designs are permanent and balls have high glossy finish.

Caricature designs as shown are reproduced on both sides of each ball.

Each size is made in two different color combinations, and is packed in assorted dozens. Each dozen of a size comprises:

8 with Red and Blue design on White background with Blue centre band
4 with Red and Green design on Yellow background with Red centre band

For greater sales feature these new attractive designs. They will add pep to your display and pay you a good profit.

More New Numbers are shown on inside pages.
Attractive Decorations

Again Viceroy leads the field with new, attractive Gas Ball decorations that have wide appeal and show you a good profit.

All decorations are in strongly contrasting colors, making for excellent display and increased sales.
