and Specialty Balls

Stock No. 6855—6” DIAMETER
TOUGH — LIVELY — ECONOMICAL

Here is what the small fry have been waiting for! A specially compounded, gas inflated ball which can be kicked and which will withstand rough usage.

Made from a special brown rubber, approximately same colour as regulation footballs, and with seams carefully moulded into the rubber, this ball will afford many hours of active play and yet is soft enough to eliminate any possibility of injury.

Seams do not split and ball does not need to be re-inflated.

Just the right size for small, active children, who prefer to kick a ball rather than bounce it.

Packed 6 balls to a shipping container.

Approximate shipping weight 142 lbs. per gross.
