Welcome!

Here we'll tell you about the exciting Children's Museum renewal project and the fun activities planned for the day. There will be door prizes!

Children's Museum Renewal Tree

Post your answers to three important questions on a tree specially designed to capture your input and help shape the renewed Children's Museum.

Imagining a Museum!

Draw or build your ideal Children's Museum, and then take a selfie with your creation. You can leave your creation on display or bring it home with you.

Toddlers at Play

Adults are invited to share their ideas on toddler spaces in the renewed Children's Museum, while their little ones have fun on soft play structures.

Your Part in Reimagining It!

Dress up and pose with your museum creation, and have your picture taken as a reminder that you helped shape the renewed Children's Museum.

In My Dream Museum...

Dream big about what the renewed Children's Museum could be, then share your ideas. Watch as an artist brings them to life for everyone to see.

Curious Curator

Come and chat with Jamie, our curator, about what kinds of objects a museum collects, and tell him what you like to collect!
