1 INTERPRETATION

1.1 The term “Contractor” means the person, firm, agency, entity, artist, supplier, architect, engineer or consultant who is registered, licensed or otherwise authorized to practice activities in the province or territory of the place of the work, and will be engaged by the Museum to provide goods, services, design, studies, engineering, architectural and/or other specialized services for the completion of the Work.

1.2 The term “Museum” means the Canadian Museum of History and/or the Canadian War Museum as the case may be.

1.3 The term “Contract” means the Letter of Agreement or the Purchase Order sent to the Contractor or a written agreement executed by the Museum and the selected Contractor in accordance with the documents issued by the Museum, including all issued Amendments, the General Conditions, any negotiation and/or changes (as the Museum may in its sole discretion approve), annexes or other document specified or referred to as forming part of the Contract. In the Contract, unless the context otherwise requires, words importing the singular include the plural and vice versa and words importing gender include all genders.

1.4 The term “Work” means all the services, activities, goods, equipment, matters and things required to be done, delivered or performed by the Contractor under the Contract.

2 THE MUSEUM’S CONTRACTING AUTHORITY

2.1 The Contracting Authority’s powers and responsibilities shall be as follows:

1. is responsible for all queries related to the terms of the Contract and for its amendments;
2. has the sole power to authorize any changes to the Contract;
3. has the sole power to contractually bind the Museum;
4. is responsible for dispute resolution arising out of the Contract.

3 THE MUSEUM’S PROJECT AUTHORITY

3.1 The Project Authority’s powers and responsibilities shall be as follows:

1. manages the Work and is accountable for its complete lifecycle;
2. responsible for all queries related to the Work;
3. when required, recommends the granting of extensions or amendments to the Contract;
4. certifies the Contractor’s invoices that work has been completed according to the Contract;
5. authorizes the project closure;
6. produces and communicates Contractor’s performance data.

4 ASSIGNMENT AND SUBCONTRACTING

4.1 The Contractor shall not assign the Contract or subcontract any portion of the Work without the prior written consent of the Museum, which consent may not be unreasonably withheld. No subcontract, if permitted by the Museum, shall relieve the Contractor from any of its obligations under the Contract or impose any liability upon the Museum. In any subcontract, the Contractor agrees to bind the subconsultant and subcontractor by the same conditions by which the Contractor is bound under the Contract.

5 ADMINISTRATORS AND ASSIGNS

5.1 Subject to the terms hereof, the Contract shall ensure to the benefit of, and be binding upon, the respective heirs, executors, administrators, successors and assigns of the parties hereto.
6 MEMBERS OF THE HOUSE OF COMMONS

6.1 No members of the House of Commons shall be admitted to any share or part of the Contract or to any benefit to arise there from.

7 BRIBERY AND CONFLICT OF INTEREST

7.1 The Contractor represents and warrants that:

1. no bribe, gift or other inducement has been paid, given, promised or offered to any person for, or with a view to the obtaining of the Contract by the Contractor; and

2. has not employed any person to solicit or secure the Contract for a commission, percentage, brokerage or contingent fee; and

3. has no pecuniary interest in the business of any third party that would affect its objectivity in carrying out the Work.

7.2 No individual for whom the post-employment provisions of the Conflict of Interest and Post-Employment Code for Public Office Holders or the Conflict of Interest and Post-Employment Code for the Public Service apply, shall derive any direct benefit from the Contract unless that individual is in compliance with the applicable post-employment provisions.

7.3 Throughout the application of the conditions of the contracts, any persons engaged for their application shall act in compliance with the principles of the Conflict of Interest and Post-Employment Code for Public Office Holders, (which are the same as those in the Conflict of Interest and Post-Employment Code for the Public Service). Should an interest be acquired during the life of any the Museum Contract that would cause a conflict of interest or seem to cause a departure from the principles, the Contractor shall declare it immediately to the Contracting Authority.

8 STATUS OF THE CONTRACTOR

8.1 Nothing in the Contract shall be construed to place the parties in the relationship of partners, joint venture or employer and employee, and neither party has the power to bind the other in any manner with respect to the rights and obligations of this Contract whatsoever. The Contractor is engaged under the Contract as an independent Contractor. Neither the Contractor nor any of its personnel is engaged as an employee, servant or agent of the Museum. The Contractor further agrees to be solely responsible for all payments and deductions required to be made respecting unemployment insurance, worker’s compensation, income tax or such other payments or deductions.

9 COMMENCEMENT AND PERFORMANCE OF THE CONTRACTOR’S WORK

9.1 The Contractor shall not commence Work until a written Contract has been executed by both parties or unless the Contracting Authority provides written authorization to proceed with the Work at an earlier time.

9.2 The Contractor agrees to carry out the Work promptly and efficiently in accordance with the terms and conditions of the Contract and in accordance with the standards of quality acceptable to the industry.

10 TIME OF THE ESSENCE AND DELAYS, FORCE MAJEURE AND COMPLIANCE WITH HEALTH STANDARDS

10.1 It is essential that the Work be performed within or at the time stated in the Contract. The Contractor will be in default by the terms of the contract due to any delay attributable to the Contractor.

10.2 The Contractor shall promptly notify the Museum in writing of any event which delays or risks delaying the Work. If by reason of Force Majeure or other cause beyond the reasonable control of the Contractor, any of the Work has been or is likely to be delayed, the Museum may, at its sole discretion, consider the delay as an “Excusable Delay” and extend the time for completing the Work so delayed. In such a case, the Contractor must also advise the Contracting Authority, within five (5) working days, of all the circumstances relating to the delay and provide to the Contracting Authority for
approval a clear work around plan explaining in detail the steps that the Contractor proposes to take in order to minimize the impact of the event causing the delay.

10.3 Force Majeure
In the event of a Force Majeure, the Museum will communicate with the Contractor to establish a new schedule or to terminate this Contract, in such a case each party will bear its costs. A Force Majeure means the occurrence of a fortuitous event which is impossible to resist or prevent and which has the effect of rendering either of the parties incapable of executing one or more obligations incumbent upon him under the Contract.

10.4 Compliance with health standards
In the event that the Museum is unable to proceed with this Contract due to COVID or to another pandemic event or to other health restrictions, the Museum will communicate with the Contractor to establish a new schedule or, if this is not suitable for the Contractor, to terminate the Contract. In this case, i.e. in the event of termination of the Contract, it will be understood and agreed that there should be no claims for damages by the Contractor. The parties will be deemed to be released from their obligations hereunder, including, but not limited to, indirect, special, or consequential damages or loss of profit caused by the termination of the Contract.

10.5 The Museum will not be responsible for any costs incurred by the Contractor or any of its subconsultants, subcontractors or agents as a result of an Excusable Delay.

11 COMPLIANCE WITH APPLICABLE LAWS
11.1 To fulfill its obligation under the Contract, the Contractor hereby undertakes to comply with all laws, regulations, ordinances and codes established from time to time by any federal, provincial, municipal or other governmental authority relating to the Work. The Contractor undertakes to comply with the provincial (or territorial) employment standards, occupational health and safety rules, and human rights legislation. The Contractor shall ensure that all his employees or subconsultant and subcontractor shall be paid fair wages.

11.2 The Contractor must provide evidence of compliance with such laws at such times as the Museum may reasonably request.

11.3 The Contractor must obtain and maintain at its own cost all permits, licenses, regulatory approvals and certificates required to perform the Work. If requested by the Contracting Authority, he must provide a copy of any required permit, license, regulatory approvals or certificate.

12 INTERNATIONAL SANCTIONS
12.1 Persons in Canada, and Canadians outside of Canada, are bound by economic sanctions imposed by Canada. As a result, the Museum cannot accept delivery of goods or services that originate, either directly or indirectly, from the countries or persons subject to economic sanctions.

12.2 The Contractor must not supply to the Museum any goods or services which are subject to economic sanctions.

12.3 The Contractor must comply with changes to the regulations imposed by Canada during the period of the Contract. The Contractor must immediately advise the Museum if it is unable to perform the Contract as a result of the imposition of economic sanctions against a country or person or the addition of a good or service to the list of sanctioned goods or services. If the Parties cannot agree on a work around plan, the Contract will be terminated for convenience in accordance with section 40.

13 CONFIDENTIALITY
13.1 With the exception of the Museum’s information which is in the public domain, the Contractor acknowledges that the present Contract and all information issued, used or disclosed to the Contractor in connection with the Work or while carrying out the Work, including any personal information within the meaning of the Personal Information Protection and Electronic Documents Act (“PIPEDA”), and the
Privacy Act (R.S.C., 1985, c. P-21) are private and may be classified as to the highest degree of precaution necessary for their safeguarding.

13.2 The Contractor shall at all times take all measures necessary, including those set out in any instructions issued by the Museum, for the protection of the aforesaid confidential information against espionage, sabotage, fire, theft and other risks of loss or damage.

13.3 The Contractor further agrees that it will use such confidential information solely on behalf of the Museum and for the Museum’s purposes and not on its own behalf or for its own purposes.

13.4 The Contractor shall at all times comply strictly with the Contract in such manner as to ensure that its acts or omissions do not result in the Museum being in violation of any applicable laws governing the collection, use, disclosure or storage of information about individuals, including PIPEDA and the Privacy Act.

14 DATA PROTECTION AND SECURITY

14.1 The Contractor shall ensure that all data bases that contains information related to the Work are located in Canada or, if the Contracting authority has given their prior written consent in another country where;

a. The personal information benefits a protection equivalent to the Canada under the laws such as the Privacy Act and the Personal Information Protection and the Electronic Documents Act (“PIPEDA”), The Privacy Act and any applicable policy from the government of Canada.

b. The laws do not allow the government of that country or any other entity or person to request or obtain the right to examine or copy information related to the Contract without the prior written consent of the Contracting authority, except as required by law.

To provide consent to establish a database in another country, the Contracting authority can, at his choice, request the Contractor to provide legal advice (from a qualified lawyer in the foreign country) to the effect that the laws of this country meets the requirements described above or else to reimburse the Museum for obtaining this notice. The Museum has the right to reject any request to store their data in another country if their security, confidentiality or integrity may be threatened. The Museum can also request that the data transmitted or processed outside of Canada be encrypted using the Museum approved cryptography, which reflect the level of sensitivity of personal information / data/ confidential information and that the private key required to decrypt the data be kept in Canada, in accordance with the key management and conservation process approved by the Museum.

14.2 The Contractor must control access of all databases in which data related to the contract is stored, in order that only persons with the appropriate security clearance can have access to the database, either by means of a password or other means of access (such as biometric controls).

14.3 The Contractor must ensure that all databases in which data related to the Contract are stored are not physically or logically linked to any other databases of the Contractor’s clients, (which means that there is no direct on indirect connection), and they meet the requirement of this article.

14.4 The Contractor’s must ensure that all data related to the Contract is processed only in Canada or in another country approved by the Contracting Authority in accordance with paragraph 14.1.

14.5 The Contractor must ensure that traffic on the national network (which means traffic from one part of Canada to a destination located in another part of Canada) takes place exclusively in Canada, unless the Contracting Authority has previously approved another route in writing. The Contracting Authority will only consider a route to another country for the transmission of the data, if that country meets the requirements described in paragraph 14.1.

14.6 Despite any disposition of the general conditions related to subcontracting, the Contractor cannot entrust to a subcontractor (including an affiliated company) any function which allows access to the data of the Contract without the prior written consent of the Contracting Authority.

14.7 The Contractor must implement and maintain security procedures in order to protect all data against security attacks.
14.8 The **Contractor** will implement and maintain a series of security measures designed to protect the personal information against the loss, theft or unauthorized consultation, communication reproduction, use or non-authorized modification. These security measures must include, but not limited to, physical measure, administrative and technical deemed reasonable in taking into account the sensitivity of the information and its use, quantity, distribution and support.

14.9 The **Contractor** must report immediately any breach of security measures by sending a notice the **Project manager** and the **Contracting Authority**.

14.10 The notice must include sufficient information to permit the **Museum** to understand the importance of the breach of personal information or security measure, and to take steps, if necessary, to reduce the risk of harm to people affected or the **Museum** that could result or mitigate it. The notice must contain at least:
   a. The date or estimated date of the breach;
   b. The general description of the circumstances by the breach;
   c. The nature of the information affected by the breach; and
   d. Any other relevant information.

15 **INTELLECTUAL PROPERTY TITLES AND OTHER TITLES INCLUDING COPYRIGHT**

15.1 The technical documents (including reports and prototypes produced by the **Contractor** for the performance of the **Work** provided for the contract) are transferred to the **Museum** and remain its exclusive property. The **Contractor** must submit a copy to the **Museum**. The **Contractor** is entirely indebted to him according to the conditions established by the **Museum**, with regard to these documents and prototypes.

   « Technical document » means any recorded information including reports, working documents related to the service, including concepts, reports of a technical or other nature, photographs, drawings, plans, specifications and software which may or may not be protected by the copyright.

15.2 The technical data and inventions conceived or developed, or even put into execution to render the services provided for in the **Contract** are the exclusive property of the **Museum**, and the **Contractor** has no right in relation to them.

15.3 The **Contractor** transfers all intellectual property rights (copyright, trade secrets, and industrial designs) and waives morals rights on any material created as part of this **Contract** or product during its execution.

15.4 If, under any law, the rights of the **Contractor** are restored, he grants the **Museum** a perpetual worldwide license, free of rights and irrevocable allowing him to exercise the rights renowned under the terms of the legislation in force on intellectual property.

15.5 The **Contractor** certifies the **Museum** the full and free enjoyment of their rights and acts as guarantor against all disturbance, claims or evictions against any claims and any prosecution due to of counterfeits, defamation, evasion of the privacy of others or morality.

16 **CANADIAN LABOR AND MATERIAL EMPLOYMENTS**

16.1 The **Contractor** must make every effort to employ Canadian labor and materials in the execution of the **Work**, taking into consideration their availability, cost and efficiency of execution.

17 **MUSEUM PROPERTY**

17.1 The **Contractor** shall take care in a reasonable and adequate manner, of all the **Museum’s** property in his possession or control. If he does not comply with this obligation, he will be responsible for any loss or damage which results therefrom unless these are caused by normal wear and tear.

18 **NON PAYMENT IN CASE OF ERRORS OR OMISSIONS**

18.1 The **Contractor** is not entitled to payment of costs incurred in order to rectify error and omissions related
to the Work and which are attributable to himself, his employees or agents or to persons for whom he has assumed all responsibility for the provision of services.

19 FRAUD

19.1 In the event of a fraud committed by the Contractor’s employees or agents, the Contractor shall be liable for losses to the Museum due to fraud, including but not limited to, losses of revenues and assets, and all costs to the Museum related to the fraud.

20 INSURANCE

20.1 The Contractor is liable for any damage caused by the Contractor, its employees, subconsultants, subcontractors or agents, to the Museum or any third party.

20.2 The Contractor shall, at its own expense, procure and maintain in force for the duration of the Contract:

   .1 Commercial General Liability insurance, with a minimum limit of ten million dollars ($10,000,000.00) in Canadian funds, without limitation, including coverage for personal injury, bodily injury (including death) or property damage for any one occurrence or series of occurrences arising from one cause, no aggregate, and with a maximum deductible of five thousand dollars ($5,000.00). The certificate shall provide coverage for, but not be limited to, all premises and operations of the Contractor, non-owned automobile of which he may have custody, control or use, contractual liability and liability specifically assumed under the Contract. The Museum shall be added to the certificate as an additional insured and it shall contain a cross-liability clause. The coverage afforded to the Museum as an additional insured shall include, but not be limited to, negligence on the part of the Contractor arising out of the performance of the Work.

   .2 All Risk Property insurance of sufficient limit to cover all property of the Museum entrusted to the Contractor.

   .3 Worker’s Compensation or workplace insurance as required by statute in any Province or Territory where any employee of the Contractor or any subconsultant or subcontractor may be domiciled or, if applicable, where the site of the Work is located.

20.3 The Contractor shall deliver to the Museum, at the time of the signing of the Contract, a certificate or certificates of insurance as evidence that the required coverages are in effect and that the Museum shall be given sixty (60) days prior written notice of cancellation, or expiry of or material change to, such coverage.

20.4 The foregoing insurance provision shall not limit the insurance required by municipal, provincial and federal law. The insurance coverages shall be underwritten by a licensed insurer and shall be applicable to the Place of the Work. It shall be the sole responsibility of the Contractor to determine what additional insurance coverages, if any, are necessary and advisable for its own protection or to fulfill its obligation under the Contract. Any such additional insurance shall be provided and maintained by the Contractor at its own expense.

21 PROFESSIONAL LIABILITY

21.1 The Professional Liability insurance coverage shall be in an amount usual for the nature and scope of the services and be continually maintained from the commencement of performance of the services until five (5) years after their completion. The Professional Liability insurance coverage shall have a limit of liability of:

   .1 not less than $1,000,000.00 per claim and $2,000,000.00 in the aggregate for a project with Contractor fees of less than $100,000.00; and

   .2 not less than $1,000,000.00 per claim and $5,000,000.00 in the aggregate for a project with Contractor fees equal or more than $100,000.00.

21.2 Notice of Cancellation of Insurance Coverage: The Contractor shall immediately advise the Museum in writing upon being informed or in receipt of any notification of a pending cancellation or of non-renewal
of its Professional Liability insurance or of any reduction to the claim limits it maintains.

22 FURTHER DOCUMENTS

22.1 The Contractor will, at his expense, promptly and duly execute and deliver to the Museum such further documents and assurances (in particular the bonding prequalification letter and the additional certificates required), and take such further action as the Museum may from time to time request, in order to more effectively carry out the intent and purpose of the Contract and to establish and protect the rights, interest and remedies intended to be created in favour of the Museum.

23 INDEMNITY AGAINST CLAIMS

23.1 The Contractor shall at all times indemnify and hold harmless the Museum, and its directors, officers, employees and others for whom it may be responsible in law, from and against all losses, claims (including claims made by the Contractor’s personnel under Worker’s Compensation or workplace insurance Legislation), demands, awards, judgments, actions and proceedings by whomsoever made, brought or prosecuted in respect of loss of, damage to or destruction of property (including loss or damage sustained by the Contractor) or personal injury including death, expenses and costs suffered or incurred by the Museum arising out of the errors, omissions or negligent acts of the Contractor, its employees, subconsultants, subcontractors and agents, in the performance of the services under the Contract or in any way connected with the Contract.

23.2 The Contractor’s liability to indemnify or reimburse the Museum under the Contract shall not affect or prejudice the Museum from exercising any other rights under law.

23.3 This clause shall survive suspension, termination or completion of the Contract.

24 REPRESENTATION BY THE CONTRACTOR

24.1 The Contractor represents and warrants that:

.1 it has the necessary qualifications, including licenses, permits, knowledge, skill and the ability to use them effectively to perform the Work.

.2 it has everything necessary to perform the Work, including the resources, facilities, labour, technology, equipment, and materials.

24.2 The Contractor must:

.1 provide and exercise the standard of care, skill and diligence required by customarily accepted professional practices and procedures developed by professional bodies in the performance of similar services at the time when and at the location in which the services are provided;

.2 supply everything necessary to perform the Work;

.3 use, as a minimum, quality assurance procedures, inspections and controls generally used and recognized by the industry to ensure the degree of quality required by the Contract;

.4 select and employ a sufficient number of qualified people;

.5 perform the Work in accordance with standards of quality acceptable to Canada and in full conformity with all the requirements of the Contract;

.6 submit in a timely manner to the Museum, for approval, a time schedule for the services to be performed, in detail appropriate to the size and complexity of the Contract, and in the prescribed format.

.7 adhere to the approved time schedule and, if changes in the approved time schedule become necessary, indicate the extent of, and the reasons for such changes, and obtain the approval of the Museum.

.8 provide effective and efficient supervision to ensure that the quality of workmanship meets the requirements of the Contract.
24.3 Codes, By Laws, Licences, Permits

.1 For professional and design services, the Contractor shall comply with all statutes, codes, regulations and municipal laws applicable to the design and where necessary, shall review the design with those public authorities having jurisdiction in order that the consents, approvals, licences and permits required for the contract be applied for and obtained.

25 WARRANTY (AS APPLICABLE TO THE TYPE OF WORK)

25.1 The Contractor warrants that for a period of twelve (12) months from the date of completion of the Work, the Work shall be free from all defects in material or workmanship and conform to the requirements of any Contract between the parties.

25.2 In the event of a breach of the Contractor’s warranty set out in paragraph 24.1, the Contractor shall at his expense, redo, correct or make good the Work found to be defective or in non-conformity with the terms of any agreement with the Museum.

25.3 If the Work or any part thereof is found to be defective or non-conforming, the Museum may, but is not obliged to, require that the repair or replacement take place at the Contractor’s plant or place of business and not at the work site and the Contractor shall be responsible for any costs incurred during moving and correcting the defective or non-conforming Work.

25.4 If the Contractor fails to correct the defect or deficiency within seven (7) calendar days upon receipt of written notification from the Museum, the Museum may correct the defect or deficiency and the costs incurred shall be deducted from any money owing to the Contractor under this Contract or any other contract between the parties.

25.5 The Contractor shall warrant all equipment supplied against defects in manufacturing and installation for a period of twelve (12) months after final acceptance of the Work by the Museum’s Project Authority, or for any other longer period stated in the technical specifications. These manufacturer’s product warranties shall be issued by the Contractor to the Museum.

26 INSPECTION AND ACCEPTANCE OF THE WORK

26.1 All the Work is subject to inspection and acceptance by the Museum. Inspection and acceptance of the partial or final Work by the Museum do not relieve the Contractor of its responsibility for defects and other failures to meet the requirements of the Contract. The Museum will have the right to reject any Work that is not in accordance with the requirements of the Contract and require its correction or replacement at the Contractor’s expense.

26.2 The Contractor remains responsible for the loss of the Work caused by a case of force majeure until the Museum has accepted the Work.

27 TERMINATION FOR CAUSE

27.1 The Contractor will be in default under the terms of the contract in the following circumstances:

.1 the Contractor fails to perform any of the Contractor’s obligations under the Contract, or, in the Museum’s view, so fails to make progress and thus endangers performance of the Contract in accordance with its terms;

.2 the Contractor becomes bankrupt or insolvent, or a receiving order is made against the Contractor, or an assignment is made for the benefit of creditors, or if an order is made or resolution passed for the winding up of the Contractor, or if the Contractor takes the benefit of any statute for the time being in force relating to bankrupt or insolvent debtors.

The Museum may, by written notice to the Contractor, terminate the whole or any part of the Contract.

27.2 In the event of Contract termination, the Museum may:

.1 arrange, in conformity with terms and conditions of the Contract for the Work to be completed, and the Contractor shall be liable to the Museum for any costs incurred to complete the Work, even if the
costs incurred by the Museum exceed those initially set forth in the Contract;

.2 require the Contractor to deliver and transfer title of any finished Work which has not been delivered and accepted prior to such termination and any materials or work-in-process which the Contractor has specifically acquired or produced for the fulfilment of the Contract.

27.3 In the event of Contract termination, the Museum:

.1 shall pay the Contractor, for all such finished work delivered pursuant to such direction and accepted by the Museum, the cost to the Contractor of such finished Work plus the proportionate part of any fee established by the terms of the Contract.

.2 shall pay or reimburse the Contractor the fair and reasonable cost to the Contractor of all materials or work-in-process delivered to the Museum pursuant to such direction.

.3 may withhold from the amounts due to the Contractor any amount it deems necessary to pay the additional costs, it expects to pay for the completion of the Work.

28 SECURITY CLEARANCES

28.1 The Contractor must comply to a security screening before gaining access to the Museum’s buildings.

28.2 The Contractor shall submit to the Museum, before commencement of the Work, the names of all persons who will be present at the place of work, whether inside or outside the area of work and who are involved with the Work, whether they are employees of the Contractor, subconsultants or subcontractor.

28.3 The Contractor and all subconsultants and subcontractors shall agree to submit to the Museum, required by the Museum, the security screening forms in a duly completed manner, for themselves and for any other persons who will be assigned to work on their behalf on this project, before commencing the Work: Declaration Regarding Criminal Convictions, Consent to Disclosure of Personal Information parts (1) Reliability, (2) Criminal record, (3) Credit and (4) any other security clearance form reasonably required by the Museum.

28.4 The Contractor agrees to only allow authorized screened personnel on the work site in accordance with criteria established by the Museum.

29 HARASSMENT IN THE WORKPLACE

29.1 The Contractor acknowledges the responsibility of the Museum to ensure, for its employees, a healthy work environment, free of harassment. In this sense, the Contractor must collaborate with the Museum.

29.2 The Contractor must not, either as an individual, or as a corporate or unincorporated entity, through its employees, subconsultants or subcontractors, harass, abuse, threaten, intimidate, discriminate against any employee, Contractor or other individual employed by, or under contract with the Museum.

29.3 The Contractor will be advised in writing of any complaint and will have the right to respond in writing. Upon receipt of the Contractor’s response, the Contracting Authority will, at its entire discretion, determine if the complaint is founded and decide on any action to be taken.

30 HEALTH AND SAFETY AND COVID, PANDEMIC OR HEALTH RESTRICTION PARTICULARITIES

30.1 The Contractor must provide safe and healthy workplace and comply with relevant health and safety laws and standards. The Contractor must provide to all their employees adequate information and instructions on health and safety concerns. The Contractor must allow their employees to meet their responsibilities to ensure a safe and healthy workplace.

30.2 COVID, Pandemic or Health Restriction Particularities

The Contractor must ensure:

.1 To comply with and apply the latest health and safety standards;

.2 to apply the basic hygiene measures of the General Directorate of Public Health;
.3 to verify the state of health of workers prior to their arrival on site;
.4 to plan the Work to respect physical distancing for the applicable period;
.5 to use specific personal protective equipment, as applicable; and
.6 to follow the protocols, policies and directives of the Museum.

31 LABOUR DISPUTE AT THE WORK SITE/POST EMPLOYMENT CODE

31.1 The Contractor shall take all reasonable action to prevent any strikes, lockouts, picketing, boycotts and other labour disputes at the Work site or any other disruptive actions affecting the Museum, its affiliates, the services or the building.

31.2 In the event of a strike or lockout involving the Contractor’s personnel which results in the Contractor being unable to perform all or a portion of the services, the Contractor shall, with the Museum’s approval, take whatever steps are necessary to maintain the performance of services and to provide such performance with the least effect on the normal operations of the Museum, its affiliates and all other occupants of the building. The Museum reserves the right to make whatever arrangements are necessary to maintain the cleanliness of the building and perform the other services set forth in the Contract and, pursuant thereto, to use whatever equipment the Contractor has in the building for cleaning purposes.

31.3 Whether as a result of a strike or otherwise, if the Contractor fails to perform its obligations under the Contract terms, within a period of twenty-four (24) hours following receipt of written notice of such failure, the Museum shall have the right to terminate the Contract, without further notice, and employ another Contractor to perform the obligations of the Contract and to take any other steps it deems necessary to ensure that the Work is to be performed in a timely and orderly manner.

32 ALCOHOL AND DRUGS

32.1 The Contractor must ensure that their employees, all their sub-contractors and their personnel are fit when reporting to work and remain fit throughout their work day, free from the influence of alcohol or drugs, including cannabis products, that may impair their ability to perform their duty in a safe and productive manner.

32.2 The Contractor, its superintendent and/or its supervisor must ensure that all their personnel, subcontractor(s) and the subcontractor personnel adhere to all aspects of the following policy in effect at the Museum:

1. For the safety and security of all Persons, the consumption of alcohol and drugs, including cannabis products, on all the Museum’s premises is strictly forbidden.

2. Any employee who arrives at work and determines that they may be under the influence of alcohol or drugs, including cannabis products and/or prescription drugs, must notify their supervisor. The Contractor shall relieve the employee of their duty and confidentiality shall be respected and maintained when possible.

3. Any employee who suspects that a co-worker is working under the influence of alcohol or drugs, cannabis products, prescription drugs or illegal drugs must immediately notify a supervisor. Every measure should be taken to keep such reports confidential.

4. It is strictly forbidden for any employee to traffic, provide, produce, sell, trade, manufacture, distribute, or offer for sale any alcohol, drugs, including cannabis products, or otherwise engage in the use of illegal drugs or the improper use of drugs, including prescription drugs, while on the Museum’s premises at all times.

5. Where an employee believes they have or may have an alcohol or drug addiction that interferes or may interfere with their ability to work safely and productively, and to comply with all Museum’s policies, the employee must notify their supervisor immediately

6. Personnel in breach of these rules will be escorted at the Contractor’s expense out of the Museum’s
33 SMOKE-FREE WORKPLACE

33.1 The Contractor, its superintendent and/or its supervisor must ensure that all their personnel, subcontractor(s) and the subcontractor personnel adhere to all aspects of the following policy in effect at the Museum:

1. **Smoking** is prohibited in the Museum’s interior and outside spaces (See map in Appendix 1).
2. This policy covers the use of all smoke-related products, including e-cigarettes, cigars, tobacco and its derivatives and cannabis and its derivatives or any other smokable product. This is intended to make the Museum a healthy working environment. It will apply to all persons working or visiting the premises.
3. Personnel in breach of these rules will be escorted at the Contractor’s expense out of the Museum’s premises.

A violation of article 33 will result in consequences up to and including Contract termination.

34 COOPERATION WITH OTHER CONSULTANTS AND CONTRACTORS

34.1 The Museum reserves the right to let separate contracts to other contractors in connection with any on-going project, for the purpose of carrying out a work which may form a part of the Contractor’s project or that of the Museum’s own work forces.

34.2 If it is necessary that other persons be sent onto the site of the work, the Contractor shall, in accordance with the Museum’s instructions, allow them access to the site and shall cooperate with them in carrying out of their duties and obligations. The Museum agrees to take all reasonable precautions to avoid labour disputes or other disputes on the project arising from the work of other contractors working on the same project.

34.3 When separate contracts are awarded for different parts of the project, or part of the work is performed by the Museum’s own work forces, the Museum shall:

.1 provide for the co-ordination of the work of its own forces and of each separate contract or with the work in its Contract, and

.2 ensure that insurance coverage is provided to the same requirements as it is mentioned in the Insurance Clause #20 or any subsequent General Conditions which may change the existing clause to comply with the Work situation in the Contractor’s Contract.

34.4 It may be a requirement that the Contractor may have to co-ordinate its work with that of other consultants or contractor, hired by the Museum or other workers who are part of the Museum. The Contractor’s Work may need to connect with the subsequent work as indicated in the Contract. Should there be a change in the Scope of Work required for the planning and performance of this co-ordination and connection, the Contractor must obtain authorization to that effect from the Contracting Authority.

34.5 The Contractor shall report any deficiencies in the other consultants’ or contractors’ work to the Museum’s Project Authority in writing and, where applicable, to the consultants or contractors. Failure of the Contractor to report any deficiencies shall invalidate any claims against the Museum by reason of the deficiencies of other consultants’ or contractors’ work except to those of which the Contractor was not made reasonably aware.

35 OBLIGATIONS JOINT AND SEVERAL

35.1 If two or more contractors are liable under the terms of the Contract to the Museum, their obligations shall be both joint and several.

35.2 If only one contractor is liable under the terms of the Contract to the Museum, his obligations shall be indivisible.

36 ACCOUNTS

36.1 The Contractor shall:

.1 keep accounts and records of the cost of performing the Contract;

.2 keep for a period of six (6) years from the end of the calendar year in which the Contract is terminated or completed, all documents relating to such costs (accounts, records and other documents), unless he obtains the prior written consent of the Museum to otherwise dispose of such accounts;

.3 on demand, produce to the Museum the documents mentioned in paragraph 36.1.2 and permit the Museum to examine, audit and take copies and extracts.
37 INVOICING

37.1 No amount shall be payable by the Museum unless the Contractor has submitted an invoice pursuant to the payment schedule described in the Contract. All invoices must clearly show the Contract number and be submitted in writing to the Museum at the following address:

Canadian Museum of History
Accounts Payable
100 Laurier Street
Gatineau, Quebec K1A 0M8
payables@historymuseum.ca

37.2 The Contractor, in his name, must submit invoices for each delivery or shipment; invoices must only apply to the Contract. Each invoice must indicate whether it covers partial or final delivery and must show the following items:

1. details of expenditures (such as item, quantity, unit of issue, unit price, hourly rates and level of effort, subcontracts, mark-up, as applicable) in accordance with the Basis of Payment, exclusive of Applicable Taxes;
2. deduction for holdback, if applicable;
3. the extension of the totals, if applicable; and
4. if applicable, the method of shipment together with date, case numbers and part or reference numbers, shipment charges and any other additional charges.

All invoices shall set out applicable taxes separately. In addition, the Contractor’s appropriate tax registration numbers shall be clearly displayed on every invoice.

37.3 Fees

1. The Museum shall pay to the Contractor, for services rendered, a sum of money calculated in accordance with the provisions of the Contract.

2. The Contractor’s fees are only payable when the Contractor has performed the services as determined by the Museum. Payment in respect of a service or part of a service is not to be deemed a waiver of the Museum’s rights of set off at law or under the contract for costs or expenses arising from default or negligence of the Contractor.

3. The maximum amount payable under the Contract, including fees and disbursements, shall not exceed the sum specified in the Contract particulars, without the prior written authorization of the Contracting Authority.

37.4 Fee Arrangement(s) for Services

1. The fee to be paid to the Contractor for the services described in the Contract shall be determined by one or more of the following arrangements as specified in the Contract:
   a. Fixed Fee - may be in the form of a fixed lump sum or an amount made up of fixed unit prices multiplied by a number of units of deliverables in the amount(s) specified in the Contract.
   b. Time Based Fee - may be in the form of a Maximum Upset Fee or a Budget Fee.
      i. Maximum Upset Fee means the Contractor is expected to complete the services within this upset fee unless changes to the Scope of Work increase the level of effort.
      ii. Budget Fee is used when the Scope of Work is not well defined and the Museum wants to establish a budget envelope.

2. The Contractor’s personnel shall be paid at the hourly rates quoted in the Contractor’s Price Proposal. The rates shall include all costs for salary, labour burden, profit, administrative overhead, disbursements, travel and all subconsultant or subcontractor coordination costs.

3. These will be the only rates payable to the Contractor and shall be applicable for all phases of the
37.5 The Contractor must, upon request by the Museum, provide a solemn declaration certifying that it has paid the corresponding requests for payment by the subconsultants or the subcontractors.

37.6 Payment of invoices submitted to the Museum shall be paid on the latter of the following two dates:

1. within thirty (30) days following the date on which all of the Work has been completed in accordance with the terms of the Contract;

2. within thirty (30) days following the date on which an invoice and substantiating documentation are received according to the terms of the Contract.

Note: The payment period may be adjusted in consideration of any payment discount in the Contractor’s Proposal.

37.7 The Museum, within thirty (30) days of its receipt, is to notify the Contractor of the nature of the objection to the content of the invoice or the substantiating documentation. The Contractor must provide clarifications as soon as reasonably possible after receipt of the objection from the Museum. The Museum may withhold payment until satisfactory explanation has been provided by the Contractor.

38 TAXES

38.1 All amounts payable are in addition to the provincial sales tax, goods and services tax and any other tax applicable to the Work to be performed.

38.2 Applicable taxes will be paid by the Museum in accordance with the Invoicing section in article 37. It is the sole responsibility of the Contractor to charge applicable taxes at the correct rate in accordance with applicable legislation. The Contractor agrees to remit to appropriate tax authorities any amounts of applicable taxes paid or due.

38.3 The Contractor is not entitled to use the Museum’s exemptions from any tax, such as provincial sales taxes, unless otherwise specified by law. The Contractor must pay applicable provincial sales tax, ancillary taxes, and any commodity tax, on taxable goods or services used or consumed in the performance of the Contract (in accordance with applicable legislation), including for material incorporated into real property.

38.4 Tax Withholding of 15 % – Canada Revenue Agency

Pursuant to the Income Tax Act, 1985, c. 1 (5th Supp.) and the Income Tax Regulations, the Museum must withhold 15 % of the amount to be paid to the Contractor in respect of services provided in Canada if the Contractor is not a resident, unless the Contractor obtains a valid waiver from the Canada Revenue Agency. The amount withheld will be held in an account for the Contractor in respect to any tax liability which may be owed to Canada Revenue Agency.

39 RIGHT OF SET-OFF

39.1 Without restricting any right of set-off given by law, the Museum may set-off against any amount payable to the Contractor under the Contract, any amount payable to the Museum by the Contractor under the Contract or under any other current contract. The Museum may, when making a payment pursuant to the Contract, deduct from the amount payable to the Contractor any such amount payable to the Museum by the Contractor which, by virtue of the right of set-off, may be retained by the Museum.

40 TERMINATION WITH NOTICE

40.1 The Museum may, at any time and upon giving ten (10) days notice to the Contractor, terminate or suspend the Contract with respect to all or any part or parts of the Work not completed.

40.2 Provided the Contractor is not in breach of its Contract, all Work completed by the Contractor to the satisfaction of the Museum, before the giving of such notice, shall be paid for by the Museum in accordance with the provisions of the Contract. Where there are no provisions in the Contract with
respect to the Contractor’s cost, the Museum shall pay such sum as the Museum shall determine to be the Contractor’s reasonable costs.

40.3 To be entitled to payment and reimbursement, the Contractor must demonstrate that the cost and expenses were actually incurred and that they are fair and reasonable and are properly attributable to the termination or suspension of the Contract or the part thereof so terminated.

40.4 The Contractor shall have no claim for damages, compensation, loss of profit, allowance or other compensation by reason of or as a direct or indirect consequence arising out of any action taken or notice given by the Museum under the provisions of this Article, except as expressly provided in the Contract.

41 ALTERATIONS OF DRAWINGS AND/OR SPECIFICATIONS BY THE MUSEUM

41.1 The Museum reserves the right to request alterations of any drawings and specifications when deemed appropriate. Unless the Contractor reasonably objects, all classified Drawings supplied or Work thereafter executed by the Contractor or a subsequent subconsultant or subcontractor shall be altered accordingly, with such necessary changes in price and of the time or times for delivery as may be agreed upon by all parties. However, the Contractor, a supplier, a subconsultant or a subsequent subcontractor may not request a price adjustment for products manufactured for commercial purposes.

42 SUSPENSION OF WORK AND CHANGE IN SPECIFICATIONS BY THE MUSEUM

42.1 The Museum may at any time order the suspension of Work in whole or in part, as described in the Contract, and make modifications of, and changes in or additions to the specifications, changes in methods of delivery, packaging, change in the date or location of delivery. All directions given by the Museum with respect to the foregoing shall be complied with immediately by the Contractor. If any such suspension, modification, change or addition of the Work shall result in a monetary increase or decrease of the cost of the Work, the Contract price shall be amended and adjusted accordingly, provided that the Contractor shall in no event be entitled to compensation for any loss of anticipated profits and provided further that minor increases or decreases in cost shall be disregarded.

43 EXECUTION OF DOCUMENT

43.1 A facsimile, scanned or electronic executed copy of the Contract and associated documents shall be binding on the parties.

44 COUNTERPARTS

44.1 The Contract may be executed in any number of counterparts and all these counterparts shall for all purposes constitute one agreement, binding on the parties, notwithstanding that all parties are not signatory to the same counterpart.

45 ENTIRE CONTRACT

45.1 The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous drafts, agreements, arrangements and understandings, negotiations and discussions between them, whether written or oral, relating to this subject matter. By signing the Contract, each party acknowledges that in entering into the Contract it does not rely on, and shall have no remedies in respect of, any representation or warranty (whether made innocently or negligently) that is not set out in the Contract. No party shall have any claim for innocent or negligent misrepresentation based upon any statement in the Contract. Nothing in this clause shall limit or exclude any liability for fraud.

46 SEVERABILITY

46.1 If any section, paragraph, word or other portion of the Contract shall be held illegal, invalid or unenforceable, then the illegal, invalid or unenforceable portion shall be stricken and not form part of any such Contract. The invalidity of any provisions hereof shall not affect any remaining provisions.
47 LANGUAGE OF THE CONTRACT
47.1 The Contract will be drawn up in English or in French, depending on the language requested by all parties hereto.

48 OFFICIAL LANGUAGES
48.1 If, in the course of completing the Work, the Contractor has to provide services or communications to the public in a location where sufficient demand exists for services in both official languages, English and French, the Contractor must comply with the Official Languages Act.

49 POWERS OF THE MUSEUM
49.1 The Museum is the agent of His Majesty the King in the Right of Canada for all purposes of the Contract. Nothing contained in or omitted from the Contract shall restrict any right or power of His Majesty the King or of the Museum existing under any Act of the Parliament of Canada or otherwise. Every right or power of the Museum under the Contract or otherwise shall be cumulative and non-exclusive.

50 NON-PERFORMANCE - WAIVER
50.1 The failure by the Museum to exercise or enforce any right conferred upon it under the Contract shall not be deemed to be a waiver of any such right or operate to bar the exercise and enforcement thereof at any time or times thereafter unless such waiver is evidenced by writing from the Contracting Authority.

51 AMENDMENTS
51.1 No change or modification of the Contract shall be valid unless it be in writing and signed by each party.

52 NOTICES
52.1 Where in the Contract any notice, request, direction or other communication is required to be given or made by either party, it shall, except as otherwise provided, be in writing and is effective if delivered in person, sent by registered mail, or by electronic means addressed to the party for whom it is intended at the address hereinafter. Any notice, request, direction or other communication shall be deemed to have been received if delivered by person, on the day it was delivered; if by registered mail, when the postal receipt is acknowledged by the other party; and if by electronic means, on transmission. The address of either party may be changed by notice in the manner set out in this provision.

To the Contractor: As determined in the Contract.

To the Museum:
To the Project Authority for Work related issues and as determined in the Contract.
To the Contracting Authority for all other related issues and as determined in the Contract.

53 GOVERNING LAW
53.1 Unless otherwise specified, the Contract shall be governed by and construed in accordance with the law of the place where the Work is being conducted.

54 JUDICIAL DISTRICT
54.1 In case of dispute, the competent jurisdiction is the one where the Work is executed or were to be executed.
55 DISPUTES

55.1 All claims by the Contractor against the Museum relating to the Contract shall be in writing and shall be submitted to the Contract Authority within thirty (30) days of the date of the occurrence giving rise to the claim. The Contracting Authority will issue its decision in writing within a reasonable time, in accordance with regulations promulgated by the Museum and taking into account such factors as the size and complexity of the claim and the adequacy of the information and support regarding the claim provided by the Contractor. Specific findings of facts are not required but, if made, shall not bind the Museum in any subsequent proceeding.

55.2 The Contracting Authority’s decision on the claim shall be final and conclusive, subject to review by a tribunal of competent jurisdiction. Pending a decision from a tribunal of competent jurisdiction, the Museum has a right to require that, notwithstanding its claim, the Contractor proceed diligently with the performance of the Work in accordance with the terms of the Contract and in accordance with the Contract Authority’s decision.

55.3 Notwithstanding any other provision of this Article, the Contractor and the Museum can mutually agree on any alternative means of dispute resolution or procedures for resolving any claims by the Contractor.
